I think he's great - very charismatic + energetic. I thought most content was valuable - enjoyed exercises. Only down-side was that a lot of content was covered in other training.

2. WHAT RELATED TOPICS COULD BE ADDED TO FUTURE PRESENTATIONS?

I think most of these boundaries involve policies + Rules - valuable. However I would have liked to hear about setting boundaries w/ people who aren't doing anything "wrong". For example - the patron who is too chatty / the co-worker who makes you uncomfortable etc.
